22. Applicant's Statement

I, Stephen Johnson, an empowered official (22 CFR 120.25) or an official of a foreign government entity in the U.S., hereby apply for a license to complete the transaction described above, warrant the truth of all statements made herein, and acknowledge, understand and will comply with the provisions of 22 CFR 120-130, and any conditions and limitations imposed

I am authorized by the applicant to certify the following in compliance with 22 CFR 126.13:

(1) Neither the applicant, its chief executive officer, president, vice presidents, other senior officers or officials (e.g., comptroller, treasurer, general counsel) nor any member of its board of directors is:

(a) the subject of an indictment for or has been convicted of violating any of the U.S. criminal statutes enumerated in 22 CFR 120.27 since the effective date of the Arms Export Control Act, Public Law 94-329, 90 Stat. 729 (June 30, 1976), or

(b) ineligible to contract with, or to receive a license or other approval to import defense articles or defense services from, or to receive an export license or other approval from any agency of the U.S. Government,

(2) To the best of the applicant's knowledge, no party to the export as defined in 22 CFR 126.7(e) has been convicted of violating any of the U.S. criminal statutes enumerated in 22 CFR 120.27 since the effective date of the Arms Export Control Act, Public Law 94-329, 90 Stat. 729 (June 30, 1976); or is ineligible to contract with, or to receive a license or other approval to import defense articles or defense services from, or to receive an export license or other approval from any agency of the U.S. Government; and

☐ I am not authorized by the applicant to certify the conditions of 22 CFR 130.9(a). Please see the attached letter for such certification.

CONDITIONS OF ISSUANCE

1 This license is issued under the conditions cited in 22 CFR 120-130, including the conditions and limitations as applicable, that

A It shall not be construed as implying U.S. Government approval or commitment to authorize future exports of any defense article (hardware or technical data) on the U.S. Munitions List (USML), or a U.S. Government commitment with regard to any proposed manufacturing license, technical assistance or distribution agreement that may result from a license or other approval.

B If a license is issued for technical data only, it does not authorize the export of any hardware, if a license is issued for hardware only, it does not authorize the export of any technical data, unless specifically authorized by an exemption.

C The issuance of this license does not release the applicant, or anyone acting on their behalf, from complying with other requirements of U.S. law and regulations.

D This transaction may be subject to end-use monitoring by the United States Government.

2 The prior written approval of the Department of State, Directorate of Defense Trade Controls, must be obtained before USML defense articles exported from the U.S. using a license or other approval, to include an ITAR exemption, may be resold, transferred, diverted, transshipped, re-exported to, or used in any country, or by any end user or for any end use, other than that described on the license or other approval.

DISPOSITION OF LICENSE

The final disposition of this license shall be in accordance with 22 CFR 123 22(c).
