

Export License**D1192756****Validated:** April 20, 2020**Expires:** April 30, 2024**UNITED STATES DEPARTMENT OF COMMERCE
BUREAU OF INDUSTRY AND SECURITY
WASHINGTON, D.C. 20230**

Unless limited by a condition set forth below, the export, reexport or transfer (in-country) authorized by this license is for the item(s), end-use(s), and parties described in the license application and any letters of explanation. The applicant is responsible for informing the other parties identified on the license, such as ultimate consignees and end-users, of the license's scope and of the specific conditions applicable to them. BIS has granted this license in reliance on representations the applicant made in the license application, letters of explanation, and other documents submitted.

The Export Administration Regulations require you to take the following actions when exporting under the authority of this license.

- A. Record the Export Control Classification Number in the block provided in the Automated Export System (AES).
- B. Record your validated License Number in the block provided by AES.
- C. Place a Destination Control Statement on all commercial invoices for shipments of items on the Commerce Control List.

CONDITIONS:

1.

Items subject to the EAR and within the scope of this license may not be reexported or transferred (in-country) unless such reexport or in-country transfer is (i) authorized by this license, or another license or other approval issued by the U.S. Government; (ii) authorized by a license exception or other authorization under the Export Administration Regulations (EAR); or (iii) to a destination, end user, and end use that would be "NLR" (No License Required) under the EAR.

2.

The items authorized for export by this license may not be transferred to individuals identified on the Department of Treasury, Office of Foreign Assets Controls (OFAC) Specially Designated Nationals (SDN) List with the bracketed suffixes [SDNT] or [SDNTK]. The SDN List is available at: https://www.treasury.gov/resource-center/sanctions/SDN-List/Pages/sdn_data.aspx

RIDERS:

1.

A current, complete, accurate and valid Firearms Convention (FC) Import Certificate (or equivalent official document) shall be obtained, if required by the Government of the importing country, from Ultimate Consignee and maintained in Exporters file prior to any export of the item(s) listed on this license. A copy shall be provided to the U.S. Government upon request. (Refer to Part 742.17(b) of the EAR for guidance.)
