### CONDITIONS OF ISSUANCE

1. This license is issued under the conditions cited in 22 CFR 120-130, including the conditions and limitations as applicable, that:
  - A. It shall not be construed as implying U.S. Government approval or commitment to authorize future exports of any defense article (hardware or technical data) on the U.S. Munitions List (USML), or a U.S. Government commitment with regard to any proposed manufacturing license, technical assistance or distribution agreement that may result from a license or other approval.
  - B. If a license is issued for technical data only, it does not authorize the export of any hardware; if a license is issued for hardware only, it does not authorize the export of any technical data, unless specifically authorized by an exemption.
  - C. The issuance of this license does not release the applicant, or anyone acting on their behalf, from complying with other requirements of U.S. law and regulations.
  - D. This transaction may be subject to end-use monitoring by the United States Government.
2. The prior written approval of the Department of State, Directorate of Defense Trade Controls, must be obtained before USML defense articles exported from the U.S. using a license or other approval, to include an ITAR exemption, may be resold, transferred, diverted, transshipped, re-exported to, or used in any country, or by any end user or for any end use, other than that described on the license or other approval.
